THE GAWDEE STANDARD

Why Choose GAWDEE Ghee?

Pure by tradition. Better for today.

Sourced from Native Breeds
Made from the milk of indigenous Gir cows, raised in natural environments by trusted farmers.

Traditionally Made (Bilona Method)
Curd is hand-churned using the Vedic Bilona method to retain natural goodness.

Pure & Unadulterated
Every batch is tested for key quality parameters to ensure you get pure, wholesome ghee.

Supports Farming Communities
We work closely with rural farming families, ensuring fair value and sustainable livelihoods.

LAB TESTED FOR QUALITY & PURITY

Only What Meets Our Standard Makes The Cut.

Our Ghee is tested against key quality, adulteration and safety parameters.

99.91%	neg	B.L.Q.	0.59%
Milk Fat	**Baudouin Test**	**Heavy Metals & Residues**	**Free Fatty Acids**
Measured milk fat is 99.91%, exceeding the FSSAI minimum of 99.5%.	Negative result in the Baudouin test, a key adulteration screening parameter.	Tested pesticide parameters were below the laboratory's limit of quantification.	FFA measured at 0.59%, well within the stated FSSAI limit of 2.0%.
✓ Above FSSAI Minimum	✓ Adulteration Test Passed	✓ Safety Parameters Tested	✓ Within FSSAI Limit

Loved Across Indian Homes

★★★★★
"The aroma of GAWDEE Ghee is unbelievable. When you heat it over phulkas, the entire kitchen smells just like my grandmother's home. Authentic texture that factory brands simply don't have."
Pooja Sharma · Gawdee Ghee (1 L) • Jabur
Verified Buyer

★★★★★
"We switched completely to their Peanut Oil for daily cooking. Clean, zero-greasy heaviness, and real nutty scent. Also loved their Raw Forest Honey — naturally thick and unfiltered."
Ramesh Nair · Peanut Oil & Honey • Kochi
Verified Buyer

★★★★★
"My children love the Mixme Choco with warm milk before school. I feel at peace knowing there are no weird chemical preservatives or artificial food coloring in it."
Sunita Deshmukh · Mixme Choco (400 g) • Pune
